Guidelines & Recommendations

ALLERGIES & DIETARY RESTRICTIONS

Please inform your Sales Manager of any known allergies or dietary restrictions. Table Mountain Inn can accommodate most special requests. If you are not aware of all allergies or dietary restrictions prior to the event, Table Mountain Inn will accommodate any last-minute requests as best we can. In the rare case that requests cannot be executed due to the severity of the restriction, your Sales Manager will work with you to offer an alternative food & beverage option for your guest(s).

FOOD & BEVERAGE MINIMUMS

The food & beverage minimum at Table Mountain Inn varies based on event site, number of people and seasonality. The minimum requirements indicated in your contract do not include a 23% taxable service fee for on-site events.

FOOD & BEVERAGE POLICIES

Table Mountain Inn is the sole provider of all food & beverage served in our banquet facilities. No outside food is allowed with the exception of professionally provided wedding cakes. Leftover food & beverage cannot be removed from the premises. A taxable 23% service charge is required for all food & beverage functions held on property. The State of Colorado regulates the sale & service of alcoholic beverages. Table Mountain Inn is responsible for the administration of these regulations. It is Table Mountain Inn's policy to serve alcoholic beverages only to those patrons 21 years of age & older. We will refuse service to any guest without proper identification. We reserve the right to refuse service of alcoholic beverages to anyone. Food purchased may not be removed from the premises as per Colorado Health Department regulations.

MINIMUM/MAXIMUM ATTENDANCE & GUARANTEED COUNT

Table Mountain Inn has a minimum of 15 attendees and a maximum of 50 attendees and requires at least three weeks' notice to book any Elopement Packages. Please inform your Sales Manager of the number of guests attending your event no later than seven (7) days prior to the event. After that time, the guest count may increase, but it cannot decrease. If the guaranteed number is not provided, the estimated attendance on the contract will become the guarantee.
