CATERING GUIDELINES

ALLERGIES AND DIETARY RESTRICTIONS

Please inform your Sales Manager of any known allergies or dietary restrictions. Table Mountain Inn can accommodate most special requests. If you are not aware of all allergies or dietary restrictions prior to the event, Table Mountain Inn will accommodate any last minute requests as best we can. In the rare case that requests cannot be executed due to the severity of the restriction, your Sales Manager will work with you to offer an alternative food and beverage option for your guest(s).

FOOD AND BEVERAGE MINIMUMS

The food and beverage minimum at Table Mountain Inn varies based on event site, number of people and seasonality. The minimum requirements indicated in your contract do not include a 23% taxable service fee for onsite events. When guest counts do not exceed 20 people, an additional service charge may apply for buffet meals.

FOOD AND BEVERAGE POLICIES

We are committed to preparing our menus with the focus on environmental and socially-responsible grown products. To maintain this focus please note that some products on our sustainable menu offerings may change on short notice based on seasonal and regional availability.

To stay true to our collaborative efforts to be environmentally sustainable, we will substitute appropriate alternatives as necessary.

Table Mountain Inn is the sole provider of all food and beverage served in the banquet facilities.

There will be a two-hour time limit on all buffets to uphold our food safety guidelines. No outside food is allowed with the exception of professional wedding cakes. Leftover food and beverage cannot be removed from the premises. Currently a 23% service charge plus applicable sales tax is required for all food and beverage functions held on property. The State of Colorado regulates the sale and service of alcoholic beverages. Table Mountain Inn is responsible for the administration of these regulations. It is Table Mountain Inn's policy to serve alcoholic beverages only to those patrons 21 years of age and older. We will refuse service to any guest without proper identification. We reserve the right to refuse service of alcoholic beverages to anyone. Food purchased may not be removed from the premises as per Colorado Health Department regulations.

GUARANTEED COUNT

Please inform your Sales Manager of the number of guests attending your event no later than seventy-two (72) hours prior to the event. After that time, the guest count may increase, but it cannot decrease. If the guaranteed number is not provided, the estimated attendance on the contract will become the guarantee.
